

Board of County Commissioners

Miami-Dade County - Florida

Governmental Structure Task Force

Monday, January 31, 2005

@ 2:00pm

Commission Chambers

AGENDA

I. Introduction & Welcome.....Vice-Chairman Moss

II. Goals of the Governmental Structure Task Force

1. Develop criteria that would define what an effective and efficient municipal or county government should be and evaluate the effectiveness and efficiency of various forms of governance in major metropolitan areas using the criteria that is developed.
2. Analyze the commission's procurement actions over the last 5 years.
3. Acquire input from the public on the results of all the different analysis through Public Hearings and at the Chair's discretion, a Citizens Advisory Committee.
4. At the conclusion, prepare a written report for the County Commission's consideration and publicize the results of the analysis and final report through the creative use of our Communications Department.

III. Open Discussion
